Sir:

On February 19, 2004, Applicants filed the attached document titled "Information Disclosure Statement". Upon further review of the former response, Applicants note that the Serial Number was incorrectly identified as 10/675,304. Furthermore, Applicants did not submit a copy of the PTO-1449 form.

This Corrected response includes:

- a copy of the originally filed IDS with corrected Serial No., including references;
- a copy of the stamped postcard received from the U.S. Patent and Trademark Office; and
- an appertaining PTO-1449 form.

Applicants hereby authorize the Commissioner to charge any amount that is due or credit any amount owed to Deposit Account No. 50-1519.

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

In accordance with the provisions of 37 C.F.R. §1.56 and the requirements of 37 C.F.R. §1.98, Applicant respectfully requests that a citation and examination of the references identified on the attached PTO 1449 form be made during the course of examination of the above-identified application for United States Patent.

The present Information Disclosure Statement is being filed according to 37 C.F.R. §1.97(b) and before the latter occurrence of:

- (1) three months from the filing date of a national application;
- (2) three months from the date of entry of the national stage as set forth in 37 C.F.R. 1.491 in an international application; or
- (3) the mailing date of a first Office Action on the merits.

REMARKS

The attached PTO 1449 form lists related art references for the above identified application.

EXPLANATION OF RELEVANCE

Reference AA was cited during the prosecution of the priority application. Since this reference is in English, no further commentary on its teaching is required.

The filing of the present Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed as an admission that the information cited in the present Information Disclosure Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

The above citation of related art is not a representation that such art constitutes a complete or exhaustive listing of all pertinent related art, nor that it necessarily includes the closest or most relevant art. The aforementioned citation comprises a voluntary citation of related art of which applicant and his attorney are presently aware and is not intended to serve as a substitute for the Examiner's own search.
